Manure Transfer Recordkeeping Form
Large Concentrated Animal Feeding Operation (CAFO)

The Environmental Protection Agency's National Pollutant Discharge Elimination System Permit Regulations and Effluent Limitation Guidelines and Standards for CAFOs (40 CFR Parts 122 and 412) effective April 14, 2003, requires that all CAFOs must maintain records that document the amount of manure, litter, and/or wastewater transferred to other persons. Records must indicate date of transfer and name and address of recipient. Large CAFOs must provide the recipient with the most current nutrient analysis. Records must be maintained on-site for a period of five years from the date they are created.
